The Director or designee may grant, modify or deny the requested relief, taking into consideration the contractual obligations of the City regarding the City's water supply system, prevailing weather conditions, any unusual or extenuating circumstances, water supply and water supply system conditions, and the particular circumstances of the requester. The decision of the Director or designee shall be final.

(e) *Violation.* The water customer and the owner or occupant of premises where outdoor watering in violation of this Section occurs shall be responsible for a municipal civil infraction in accordance with Chapter 66 of the Code of Ordinances.
