Legislative File No: 2007-0856 Ver. 2

TO: Mayor and City Council Members
FROM: William Windscheif, GSAB Chairperson, 248.375.2335
DATE: June 10, 2008
SUBJECT: Recommendation and report on four parcels on Harding Road

REQUEST:

Members of the Green Space Advisory Board (GSAB) would like to make a presentation and recommendation regarding the acquisition of four (4) nominated parcels on Harding Road totaling approximately 24 acres.

The parcels were reviewed based on comparisons made to criteria related to the protection of water resources, habitat protection, steep slopes, woodlands, recreation value and natural features. In addition, their contribution to the Oakland County’s Spoke & Hub Strategy was considered as well as their support of the GSAB Vision. The recommended parcels also support the Master Recreation Plan.

If Council concurs with the GSAB recommendation, the next step would be to authorize the Administration to assemble a negotiating team to begin the acquisition process. A resolution for your consideration has been included.

If you have any questions, please feel free to contact me.
