Dear Mayor Barnett and City Council,

It is with regrets that I have to inform you that I shall not be able to continue my membership in the Rochester Hills Historical Study commission.

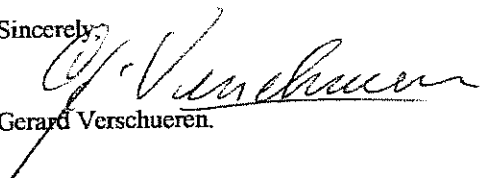

A very busy travel schedule this year prevents me from attending every meeting and from doing any potential research for this commission.

I also do not feel totally at ease in this committee.

Thank you and City Council for giving me another opportunity for serving the City.

I shall honor all my other appointments in the committee's I am a member of.

Sincerely,

  
Gerard Verschueren.
