Legislative File No: 2008-0083

TO: Mayor and City Council Members
FROM: Greg Hooper, Council President
DATE: February 20, 2008
SUBJECT: Single Trash Hauler

In review of the extensive historical information provided last week by the Administration, I would like to discuss what our next steps should be. For discussion sake, I see the following options:

- A. Stop Analysis, continue trash service in the Community as is.
 - B. Seek data from surrounding and like size Communities on their program (cost, number of residences, copy of RFP and Contract, term, billing method, Millage language and/or ballot language, etc.)
 - C. Direct the Administration to seek an RFP for Trash Service, define scope, service, term, etc.
 - D. Continue discussion raised at last year's Sister City meeting with Auburn Hills over Trash Service.
 - E. Other direction as determined by Council.
