RE: 6870 N. Rochester Rd.
Liquor License Application

Kelly M. Winters – Deputy Director 

Per your request, I have reviewed the application for the new Class C License to be located at 6870 N. Rochester Rd., Rochester Hills, known as Tom's Oyster Bar. This new tenant will be part of the proposed Papa Joe's Gourmet Market Development at that site.

Please be advised that permits for the Papa Joe's Gourmet Market Development have not been issued to date, and the tenant space Tom's Oyster Bar is scheduled to occupy has not been completed.

Anticipating that the new development will meet all necessary code requirements through the plan review and construction process, the Building Department has no objection to the Class C License application.

Please be advised the fire department has no objections to the issuance of this permit, provided the proposed outdoor seating area receives proper site plan approval.

Note: Outdoor seating as proposed obstructs fire department connection.
