View  
East from  
new porch

View of home from  
neighbors front porch.  
Truck shows where new  
porch will extend.

View South showing  
garage addition

↑  
new  
garage

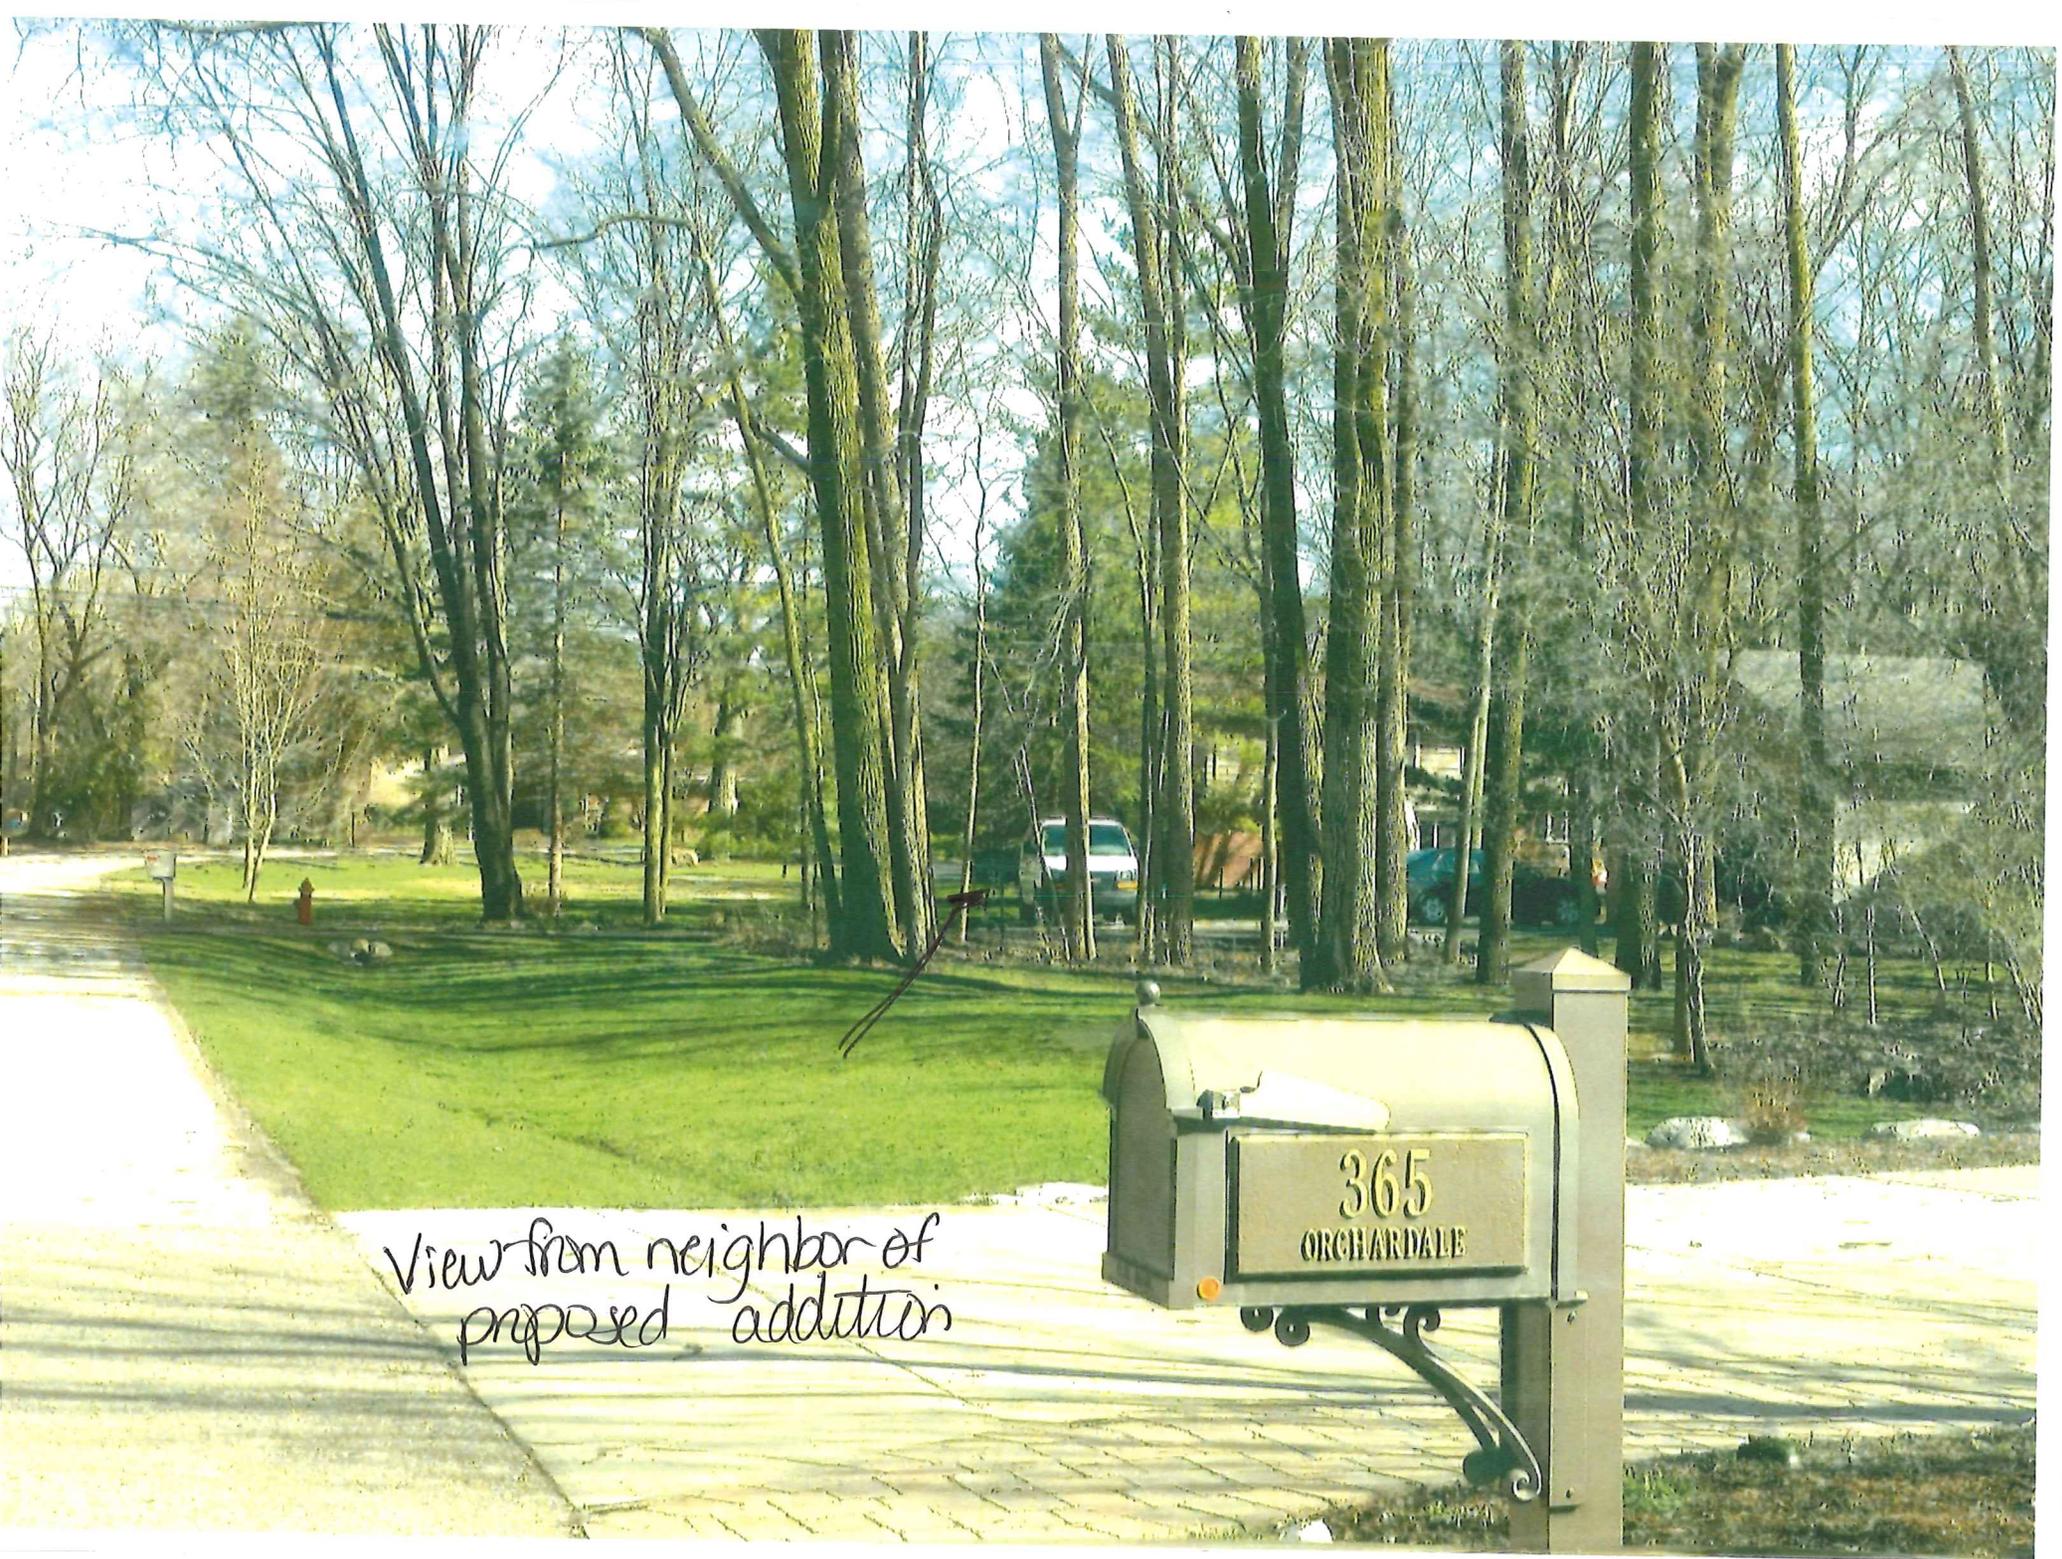

Neighbor's home showing the garage that would face the new addition

Another view showing the next house south (200' of established building line) and how the house isn't visible to the new garage addition

View 200' south towards  
home showing new addition.

View from neighbor of  
proposed addition
