Whereas, the Rochester Hills City Council has reviewed the application and made the following findings:

- a. The granting of the Industrial Facilities Exemption Certificate, considered together with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, does not have the effect of substantially impeding the operation of the City of Rochester Hills or impairing the financial soundness of a taxing unit which levies an ad valorem property tax in the City of Rochester Hills in which the facility is located.
- b. Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to create employment.
- c. Completion of the facility does not constitute merely the addition of machinery and equipment for the purpose of increasing productive capacity, but rather is primarily for the purpose and will primarily have the effect of providing a new facility on industrial property.
- d. The construction of the industrial facility meets the objectives of job creation within the established industrial corridor for the City of Rochester Hills.

Resolved, that pursuant to Section 9, (1) and (2) of Act 198 of Public Acts of 1974, as amended, the City Council of Rochester Hills hereby approves the request of KOSTAL Kontakt Systeme, Inc. for an Industrial Facilities Exemption Certificate for a period of twelve (12) years after project completion for personal property only; and

Be It Further Resolved, that the accompanying agreement between KOSTAL Kontakt Systeme, Inc. and the City of Rochester Hills is hereby approved and is to be sent to the Department of Treasury and the State Tax Commission along with this resolution no later than October 31, 2010; and

Be It Finally Resolved, that the Mayor is authorized to sign the agreement after review by the City Attorney's office as to form.
