

MOTOR CITY BASEBALL CLUB
NATURE, PURPOSE AND ACTIVITIES

The Motor City Baseball Club, "MCBC", organized in the fall of 2010 with the goal being to create a local organization to allow area youth access to a premier nationally recognized baseball organization and it's associated year round training facilities. Currently, there are almost 100 youths involved in the organization ages 8-16 and many of our teams have been recognized nationally as top 10 teams in our first season of existence. The MCBC provides an indoor training facility and top notch volunteer coaching to these young men. We are hoping to add a softball program for girls in the upcoming season. Through this facility and our inspirational instructors/coaches, we hope to instill a love of the game of baseball, provide a fun atmosphere for the participants, and help to develop these young men into gentlemen both on and off the field.

MCBC did not do any active fundraising since its inception. All revenue was generated through membership fees or private donations from local families/businesses. Even with these donations, participating in MCBC is a significant expenditure for our families.

EXPLANATION OF FUTURE CHARITABLE GAMING PLANS

To help reduce the significant cost to our members, we are hoping to obtain a charitable gaming license from the State of Michigan and sponsor a 4 night event at Santino's Bar located in Washington, MI.
