**DATE:** September 1, 2006  
**SUBJECT:** Regional Public Library Study Committee

---

City Council at its July 12, 2006 regular meeting, received a presentation from Christine Hage, Director, Rochester Hills Public Library, regarding a Regional Public Library. Ms. Hage discussed the possibility of a district library and the need to form a study committee to review this issue. She indicated that the City of Rochester and Oakland Township have appointed three people to sit on the study committee and requested Council appoint three representatives from the City of Rochester Hills to join this group.

The consensus of Council was to have the Council President and Mayor review the information and come back with a recommendation to Council. Mayor Barnett and I have discussed this matter and are recommending that Rochester Hills participate in the Regional Library Study Committee with Kurt Dawson serving as the Administration's representative and two Council Members to be selected at the September 6<sup>th</sup> meeting.

A resolution has been included for your consideration. If you have any questions or concerns, please feel free to contact me.
