RE: Grant Street Pump Station - Valve Replacement

Dear Ms. Ballint:

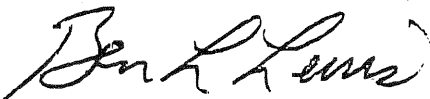

As requested we have prepared our cost estimate to remove and replace the existing check valves and plug valves for the three pumps. All valves are to be supplied by the City of Rochester Hills. We have allowed two days to remove & replace the valves at each pump. The work will take place during normal working hours, bypass pumping will be maintained while we work. During the evening we will place blind flanges as required to place the pump station back in operation with a minimum of two pumps to be kept operational during off hours. The site will be rough graded with final restoration by the City of Rochester Hills

Item	Quantity	Unit	Unit Price	Total
Labor	1.00	LS	\$ 18,767.04	\$ 18,767.04
Equipment	1.00	LS	\$ 9,096.36	\$ 9,096.36
Material	1.00	LS	\$ 6,304.75	\$ 6,304.75
Subcontractor & Rental	1.00	LS	\$ 8,068.04	\$ 8,068.04
Total:				\$ 42,236.19

Time and material breakdowns for the above items are included for your review.

Should you have any questions or need additional information please contact the undersigned at (248) 685-1500.

Very truly yours
