RE: TRAC Committee Update

The TRAC Committee, consisting of Captain Mike Johnson, Christina Russell, Chief Ron Crowell, Vince Foisy and myself, has met subsequent to the last City Council update to discuss the transfer of all PSAP calls to the Oakland County Communications Center. The Rochester Hills Communications Center has requested a series of reports, both monthly and annually, to provide data regarding the transition. The committee has come to an agreement on the reports and all sides feel comfortable should Council choose to move forward with implementation. Chief Crowell is available tonight to answer any questions you might have. Should Council commit to move forward, it is estimated that the transfer period would take approximately 2-3 weeks.
