Legislative File No: 2008-0311

TO: Mayor and City Council Members
FROM: Ed Anzek, Planning & Development, ext. 2572
DATE: June 23, 2008
SUBJECT: Public Hearing Regarding the Establishment of an Industrial Development District

REQUEST:

Schedule a public hearing for the establishment of an Industrial Development District (IDD) for 1665 W. Hamlin Rd., Unit 3 of the Hamlin Industrial Condominium for the Regular Meeting of City Council on July 14, 2008.

BACKGROUND:

C & D Building, LLC, owners of the Hamlin Industrial Condominium, are requesting the establishment of an IDD for Unit 3, an undeveloped 2-acre property.

The City also has received a tax abatement application from Hot Melt Technologies, a company that is proposing to construct an industrial and corporate headquarters facility for its own use on the subject property. The company will give a presentation to City Council at the July 14, 2008 Regular Meeting, just prior to the Public Hearing.

An IDD is an area designated by a municipality in which tax abatements can be granted. In situations where an IDD does not exist, it must be created prior to hearing an application for an Industrial Facilities Exemption Certificate.

RECOMMENDATION:

Schedule the Public Hearing for the Regular Meeting of City Council on July 14, 2008.
