- Contractual Services decreased 12%

Innovations in 2012

- Completion of the network server upgrade - replacement of servers, storage, etc...

Innovations in 2012

- Implementation of a new city website

The screenshot shows the homepage of the Rochester Hills, Michigan website. At the top left is the logo for Rochester Hills Michigan, featuring a tree and the text "ROCHESTER HILLS MICHIGAN". To the right of the logo is the tagline "innovative by nature". A search bar is located in the top right corner. Below the header is a navigation menu with links for "LIVING IN", "BUSINESS", "WHAT'S HAPPENING", "CITY GOVERNMENT", and "HOW DO I...?". The main content area features a large photograph of a wooden arch bridge over a stream. Below the photo are three columns of content: "CONSTRUCTION PROJECTS" with links for "Report A Concern", "Video Library", and "Seasonal Events"; "ROCHESTER HILLS NEWS" with a "View All" link and two news items; and "CALENDAR" with a "View All" link and three events. A "QUICK LINKS" section with a "View All" link is on the right. At the bottom left, there is a "STAY CONNECTED" section with social media icons for Facebook, Twitter, and RSS. A tree silhouette is visible in the bottom right corner of the page.
