1	Public Safety Committee	02/02/2004	Recommended for Approval	City Council Work Session			Pass
Verbose Action: Whereas, significant problems are caused in Rochester Hills by a large number of Police responses to false alarm systems. These false alarms cause man power problems, costs, liability issues and greater harm by reducing the credibility of all alarms. Whereas, other communities have instituted programs involving alarm registration and a scale of fines for repeat false alarms. Therefore, be it resolved, that the Rochester Hills City Council Public Safety Committee recommends that City Council invite Captain Bob Smith and Deputy Dan Clark to a future City Council Work Session to present both the problems and proposed solutions.
