Legislative File No: 2006-0858

TO: Mayor and City Council Members
FROM: Ed Anzek, Planning & Development Department
DATE: December 1, 2006
SUBJECT: Schedule a Public Hearing to Establish an Industrial Development District

REQUEST:

To schedule a public hearing for the Regular Meeting of Council on January 3, 2007, to consider the establishment of an Industrial Development District at 2965 Technology Drive, also known as parcel number 15-30-477-014.

BACKGROUND:

American Axle, owner of certain real and personal property at 2965 Technology Drive, also identified as parcel number 15-30-477-014, is requesting that City Council establish an Industrial Development District for this property. City Council, based on current policy, typically establishes industrial development districts in conjunction with a tax abatement application. Administration has received an abatement application for the same property from American Axle and Manufacturing.

By law, Council must first review a request for the establishment of a district and hold a public hearing before ruling on a tax abatement application. The process is defined in Public Act 198, of 1974, as amended.

RECOMMENDATION:

Schedule the public hearing for the Regular Meeting of City Council on January 3, 2007.
