Re: *Nowak & Fraus, PLLC*  
*James P. Fraus, P.E.*

Dear Ms. Myers:

This office has been Corporate Counsel to Nowak & Fraus, PLLC since 1973 and is responding to the inquiries made pertaining to the status of Jim Fraus and his affiliation with the Company.

This will confirm that Mr. Fraus is no longer a Member or an employee of the Company, his membership shares having been redeemed with no further compensation due him for said shares. Additionally, Mr. Fraus is not limited by any covenant not to compete, nor is he receiving any compensation on a monthly basis for consulting services.

As Mr. Fraus was a founding member, he has significant past experience and expertise on major projects, such as The Palace and Pine Knob. At times, the Company may consult with him, on an *as-needed* basis, for historical information and knowledge, based upon the extensive engineering services he has provided in the past for these projects.

I trust this information will satisfy the inquiries which have been made. If I may be of any further or additional assistance, please do not hesitate to call upon me.

Very truly yours,

  
Steven A. Siman
