Re: Preliminary Plat Extension  
Rochester Meadows Subdivision

Dear Mr. Anzek:

Please treat this letter as a request to be placed on the Agenda for the Planning Commission and City Council Meetings for Preliminary Plat extension with regard to the Rochester Meadows Subdivision. Previously the tentative preliminary plat had been extended until May 17, 2008. I trust that since this request is received by your office prior to the expiration of the Preliminary Plat Approval I do not have to do anything further to extend this approval, if this is not the case please contact me immediately and place this matter on the Agenda for consideration of an extension of the Preliminary Plat by the Planning Commission and the City Council. All the construction plans are in the final stage of review at this time and will be finalized for the next Planning Commission and City Council Meetings. I am supplying 12 sets of 11 X17 size of the stamped APPROVED Preliminary Plat. If you need anything further to place this matter on the Agenda for the Planning Commission and the City Council please call me at (586) 254-2576. Thank you for your cooperation.

Very truly yours,

Roy E. Rathka, Jr.
