SUBJECT: Police and Road Funding Technical Review Committee

City Council, at their December 7, 2009 meeting re-appointed citizen and council members to the Police and Road Funding Technical Review Committee. At the December 14, 2009 meeting Council held a discussion related to the 2009 Police and Road Funding Technical Review Committee recommendations. A new document was created to focus the Council in on the progress of various recommendations, some of which are being sent back to the committee for further review and recommendation.

At the December 14, 2009 meeting it was suggested that Council update the charge of the committee based on this discussion. Attached is an updated document for Council review and discussion.
