Legal Description: Part of Lot 18 and all of Lot 19 of "Heartpeace Hills No.2 Amended Plot of Lots 18 & 19", a subdivision recorded in Liber 259, Page 26, Oakland County Records.

Brief description of the proposed use of type of occupation of the flood plain / floodway:
Construction of a single family residence. In order to create a buildable site on a platted lot, it was necessary to place the fill within the floodplain. (See attached Grading & Mitigation Plan)

Upon issuance of an approved permit, it is understood that:
The degree of flood protection required by Article III Flood Plain Use and Regulation, Section 114 is considered reasonable for regulatory purposes and it is based upon engineering and scientific methods of study.

1. Larger floods may occur on rare occasions.
2. Flood heights may be increased by man-made or natural causes, such as ice jams and bridge openings restricted by debris.
3. Approval shall not be considered a guarantee or warranty of safety from flood damage.
4. Approval does not imply that areas outside the flood plain will be free from flood damage.

Approval does not create liability on the part of the City of Rochester Hills or any officer or employee thereof for any flood damages that result from reliance on this Section or any administrative decision lawfully made thereunder.
