In January 2008 City Council, Mayor Barnett and the Department Directors attended Team Building Sessions to discuss, among other things, Vision and Mission Statements. In February the Strategic Planning and Policy Review Technical Review Committee was given the charge to review the information gathered at the Team Building Sessions and return to Council with a recommendation.

The Strategic Planning and Policy Review Committee has met several times and has prepared the attached document identifying the Vision and Mission Statements they would like to present to Council for discussion.
