SUBJECT: Proposed Ballot Language

City Council at its Regular Meeting of January 25, 2010 adopted Resolution RES0022-2010 directing the City Attorney to prepare ballot language (Option A) for a graduated millage proposal to address the funding needs for the City's local roads. I have also taken the liberty of requesting that the City Attorney prepare alternate language (Option B) as a comparison.

Both Option A and Option B were presented to the members of the Police and Road Funding Technical Review Committee for consideration. The Committee members voted unanimously to recommend the ballot language contained in Option B.

The ballot language under Option A and Option B have been provided in your packet for your consideration.
