Re: February 10, 2010 Public Hearing  
46461 Dequindre (File #09-004)

The Planning and Development Department received a telephone call on January 27, 2010 from Ms. Jacques, 3099 Hessel.

Ms. Jacques had received a copy of the Public Hearing Notice and indicated she could not attend the Public Hearing, but requested her comments be relayed to the Board as follows:

She does not have any problem with the applicant keeping the chickens.
