OCCUPATION Realtor

INTERESTS/REASONS/QUALIFICATIONS

Primary to the real estate industry is image. I feel recent events did not reflect well for the image of Rochester Hills. Corporate Relocation is my specialty for real estate, I am used to introducing new residents to our area and I have always promoted Rochester Hills as one the best areas in which to live.

WHAT IS YOUR OPINION REGARDING THE 2009 DEER MANAGEMENT POLICY?

I feel that it would be in our best interests to have a non violence policy. Negative publicity should be avoided at all costs.

WHAT SOLUTIONS/SUGGESTIONS DO YOU HAVE TO OFFER FOR THE 2010 DEER MANAGEMENT POLICY?

Research the deer reflector system for the area of Adams and Avon which has a lot deer crossing the street to access the Oakland University property. Investigate costs and maintenance for the reflectors.
Research hormone therapy (distributed in feed) so the deer do not conceive.
