RE: **Bid Award Recommendation – Street Sweeper**

We have received 4 bid proposals for the purchase of one new street sweeper. This machine will replace a 1997 Tymco 600 street sweeper (vehicle #39-94) that is fully depreciated and in need of replacement.

I recommend we award purchase to the lowest bidder, **W.F. Miller Company, 25125 Trans X, PO box 605, Novi MI, 483376-0605 in the amount not to exceed \$126,742.00*** for one new Tymco 600 street sweeper as specified.

Our street sweeper is used on a daily basis by the Department of Public Service for maintenance of major and local roads. An efficient street sweeper is an essential tool utilized for MS4 compliance.

This replacement sweeper is provided for in the 2008 budget - fleet equipment fund, \$170,000.00.

If you have any questions regarding this recommendation, please contact me at your earliest convenience.

* Includes \$35,000.00 trade-in value for 39-94.
