Legislative File No: 2007-0758 and 2007-0900

TO: Mayor and City Council Members
FROM: James Rosen, Council President
DATE: November 2, 2007
SUBJECT: Charter Review Committees

At our previous meeting on October 24th we discussed various forms of a Charter Millage Technical Review Committee and began to expand the charge of that committee. At that point we paused to consider the ramification of one all-encompassing Charter Review Committee and determined we should look at it in two ways: 1) Charter Millage and 2) Non-Structural Charter Cleanup. Based on that discussion we agreed to bring this back to our next Regular Meeting on November 14th. I have chosen to bring this item back to the Work Session to allow more discussion if members of Council would like to do so.

To help facilitate that discussion, we have returned the original Charter Millage Technical Review Committee language, as well as drafted a second Charter Non-Structural Technical Review Committee. Both are enclosed for your review.
