Sec. 82-181. Trustees' powers and responsibilities.

The Trustees shall hold all the powers of Trustees that are necessary to carry out the purposes of the Trust and are generally available to Trustees under the laws of the State of Michigan, except as limited by the Trust and by federal law and regulations. It is intended that the Plan and Trust shall be tax exempt and shall qualify under the Internal Revenue Code, particularly Section 115, and any amendments of the Code applicable to plans of this type. The Trustees shall have the continuing power and duty to propose to the City amendments to this Article, which amendments will be accomplished by ordinance which will include incorporation into this Article, to amend the Trust to the extent it becomes necessary to qualify said Plan and Trust under the Internal Revenue Code and to continue the tax exempt status of the Trust. The Board of Trustees shall take no action nor make any determination inconsistent with any qualification or ruling of the Internal Revenue Service, an arbitrator or the courts with respect to the Trust. In the case of amendments to the Internal Revenue Code or changes of regulations by the Internal Revenue Service, the Board of Trustees are empowered to take all necessary action authorized by this Article and federal and state laws and regulations to continue the qualifications of the Plan and Trust as a qualified Plan and Trust. The Board of Trustees is also authorized to take all necessary action to maintain the Plan and Trust in compliance with applicable federal and state law. The Trustees shall have exclusive responsibility for the investment, management and control of Trust assets. In carrying out the purposes of the Trust, the Trustees shall have the following powers and duties:

(a) To make rules and regulations with respect to the Trust not inconsistent with the Program or the Code and to amend or rescind such rules and regulations;

(b) To determine, consistent with the applicable laws, rules or regulations, all questions of law or fact that may arise as to any person claiming rights under the Trust, including without limitation, Participants, former Participants, Dependents, former Dependents, Beneficiaries, Eligible Employees, and former Eligible Employees;

(c) Subject to and consistent with the Code, to construe and interpret the Trust and to correct any defect, supply any omissions, or reconcile any inconsistency in the Trust;

(d) Subject to and consistent with the Code, to construe and interpret the Trust (except as to administrative issues) and to correct any defect, supply any omission, or reconcile any inconsistency with respect to the same;

(e) To acquire by purchase, exchange, subscription, or other means, any security or other property and to retain the security or other property in trust; provided, however, the Board shall not maintain the indicia of ownership of any Trust asset outside the jurisdiction of the district courts of the United States;

(f) To invest Trust assets, including appointment of investment managers for specified portfolios;

(g) To adopt investment policies, guidelines, restrictions, and requirements;

(h) To sell at public or private sale for cash or on credit, convey, lease for long or short term or convert, redeem, exchange, or abandon all or any part of the Trust Fund;

(i) To hold part or all of the Trust Fund un-invested as may be appropriate to provide reasonable liquidity for the Trust;

(j) To contract for, purchase, or otherwise procure insurance and investment products;

(k) To take, renew, extend, foreclose, or otherwise deal with any mortgage or other security; to reduce interest on obligations held by it; to bid in property foreclosure; and to take deeds in lieu of foreclosure, with or without paying a consideration therefore;

(l) To exercise, or by general or limited power of attorney, or to refrain from exercising any right, including the right to vote, incident to any security or other property held by them;

(m) To register any Trust asset in the name of the Trust, in the name of its agent or in the name of a nominee or to hold any instrument in bearer form (but the books and records of the Program shall at all times show that such investments are part of the Trust Fund);

(n) To consult with and rely on the advice of legal counsel;

(o) To employ suitable agents in furtherance of duties hereunder;

(p) To make, execute, acknowledge, and deliver any and all instruments necessary or appropriate to carry out the powers herein granted;

(q) To collect any and all money and other property due to the Trust and to issue full discharge therefore;

(r) To consent to or participate in a reorganization, recapitalization, consolidation, or merger;

(s) To exercise generally any of the powers of an owner with respect to all or any part of the Trust Fund; and

(t) To take all actions consistent with this Trust Agreement necessary or appropriate to administer or carry out the purposes of the Trust and the Program; provided, however, the Board need not take any action unless in its opinion there are sufficient Trust assets available for the expense thereof.

(u) The Board of Trustees shall establish a uniform system for the timely transmission of required reports and Contributions from the City on behalf of Participants. The Trustees shall have the right and duty to enforce the performance of all

obligations provided for in the Trust. The Trustees shall immediately notify the City and the Plan Administrator of a delinquency, mistake or discrepancy in any report or Contribution. In a suit or action brought by the Board of Trustees commenced pursuant to this Section, the party in default agrees to pay all costs and expenses, including reasonable attorneys' fees. Delay by the Trustees in bringing this suit to recover delinquent Contributions from the City shall not be considered a waiver of any of the rights reserved to the Trust.

(v) The Board of Trustees shall maintain proper books of accounts and records of administration of the Trust, including the minutes of all meetings, and make them available for inspection at the permanent office of the Trust during reasonable business hours by the City or any Participant covered by the Plan and Trust. The Trustees shall compile and furnish to each individual Trustee copies of all records which they individually or collectively require to properly discharge their duties. The City shall be entitled to receive from the Trustees records pertaining to the City's Contributions, and any Participant shall be entitled to receive records of the Trustees relating to the activities of the Trust.

(w) The Board of Trustees shall cause an annual audit to be made of the Trust by a firm of independent certified or licensed public accountants, and a copy of such audit shall be made available at the principal office of the Trust for inspection by interested persons. Such audit shall contain a summary of the assets and liabilities of the Trust, a resume of the operations for the preceding year, together with such other data as the Trustees request or is required by law.

(x) The Board of Trustees shall make reports to and file such information with the Internal Revenue Service, or any other appropriate public authority as may be required by state or federal law.

(y) The Board of Trustees may assign or allocate specific responsibilities or duties among the Trustees, or appoint committees for the purpose of overseeing any activity or pursuing or investigating any activity or transactions in which the Board of Trustees are interested. The Trustee or committee of Trustees may be assigned the responsibility to take action without prior approval by the remainder of the Board of Trustees. Any such action taken under such circumstances shall be valid, proper and not a breach of fiduciary responsibility of the Trustee or committee so appointed and so acting. The Board of Trustees may rely on the report of the individual Trustee or committee of Trustees who prepared the report or recommended the action which was undertaken by the full Board of Trustees after receiving the report of the Trustee or committee of Trustees. No Trustee shall be liable for the acts of any Trustee or committee of Trustees under these circumstances because of any act or omission on the part of the Trustee or committee of Trustees to whom such responsibilities, obligations or duties have been assigned or allocated, unless he or she participates with the knowledge that such act or omission is a breach of fiduciary responsibility or if he or she has knowledge of a breach by such other fiduciary without making reasonable efforts under the circumstances to remedy the breach.

(z) The Trust may cause the Trustees, or any person, firm or organization with which it deals who has fiduciary responsibilities under the Trust or under that person's, firm's or organization's arrangement with the Board of Trustees, to be bonded in an amount not less than ten (10%) percent of the funds handled, but in no event in excess of Five-Hundred Thousand (\$500,000.00) Dollars, unless an amount over and above that is prescribed by state or federal law. The corporation providing such bond shall meet applicable federal, state and local standards.

Sec. 82-179. Trust liabilities.

(a) The City shall not be liable for payment of Contributions to the Trust or of any expenses of the Trust of any amounts other than those required of it by the Trust. Neither the City nor any Participant or Trustee shall be liable for any debts, liabilities or obligations of the Trust except as set forth in the Trust. The City shall have no right to the return of any money properly paid into the Trust, except as otherwise specifically provided in this Article, or to money improperly paid which has already been distributed. Any contribution improperly paid into the Trust by the City shall be returned by the Trustees upon the request of the City or upon discovery by the Trustees that such monies have been improperly paid into the Trust, unless those monies have already been distributed.

(b) No part of the Trust or any benefits payable by the Board of Trustees shall be subject to alienation, sale, transfer, assignment, pledge or encumbrance charge by any person.

Sec. 82 180. Termination of the trust.

(a) Subject to the limitations of this Article, the parties hereby contemplate that new employment benefit decisions may be made by the City which may continue or modify the provisions of the Trust. The Trust shall continue during such period of time as may be necessary to carry out the provisions of any ordinance requiring payment to the Trust and the fact that such employment benefit decisions are not extended shall not by itself terminate this Trust, which shall continue for a period of time sufficient to wind up the affairs of the Trust.

(b) Provided there are no longer any Participants eligible for benefits from the Trust, the Trust may be terminated at any time by the Trustees by the execution of an instrument in writing, so long as the termination is not inconsistent with any then-existing ordinance. It shall not be necessary for the City to execute such an agreement for the Trust to terminate.

(c) The Trust shall terminate in any case upon the death of the last survivor of such persons who are living at the time of its creation or entitled to receive benefits hereunder.

(d) In the event of the termination of the Trust, the remaining funds available after providing for all the outstanding obligations shall be used in a manner as will, in the opinion of the Board of Trustees, best effectuate the purposes of the Trust.

Sec. 82-181. Amendments to the trust.

- (a) The provisions of the Trust may be amended at anytime, by
 - (1) collective bargaining between applicable Collective Bargaining Associations and the City; or
 - (2) by ordinance adopted by the City Council, upon recommendation by the Board of Trustees, provided, however, that such amendments are not inconsistent with any applicable agreements or laws and do not adversely affect the tax exempt status of this Trust.

- (b) The Trust may not be amended to the extent such amendment would:
 - (1) alter the basic purpose of the Trust, as set forth in this Article, or divest any Participant or beneficiary of any rights which have already vested and to which they have already become entitled to and for sums of money which they are entitled to receive then or in the future; or
 - (2) conflict with any applicable law or government regulation; or
 - (3) cause the use or diversion of any part of the Trust for purposes other than those generally authorized in this Article; or
 - (4) conflict with any applicable Collective Bargaining Agreements.

(c) Despite any provision to the contrary above, or which may be inconsistent herewith, the Board of Trustees may propose amendments and shall have the duty to propose amendments to the Plan and Trust to comply with any rule or regulation of the Internal Revenue Service for qualification under the Internal Revenue Code, for the continuation of tax exemption of the Trust, for the deductibility of Contributions made by the City under applicable sections of the Internal Revenue Code, to obtain a favorable determination letter from the Internal Revenue Service, or to comply with applicable federal and state law.

Section 2. Penalty. All violations of this ordinance shall be misdemeanors and upon conviction thereof shall be punishable by a sentence of not more than ninety (90) days of confinement to jail or by a fine of not more than \$500, or both, in the court's discretion.

Section 3. Severability. This ordinance and each article, section, subsection, paragraph, subparagraph, part, provision, sentence, word and portion thereof are hereby declared to be severable, and if they or any of them are declared to be invalid or unenforceable for any reason by a court of competent jurisdiction, it is hereby provided that the remainder of this ordinance shall not be affected thereby.
