Legislative File No: 2010-0196

TO: Mayor and City Council Members
FROM: Greg Hooper, Council President
DATE: April 28, 2010
SUBJECT: Regulation of Firearms in City Parks

In response to the requests received from residents for the City to update our current ordinance relative to firearm possession within city parks, I have instructed the City Attorney to research the matter and advise Council whether or not this ordinance needed to be amended.

City Attorney, John Staran has informed me that the current ordinance is not consistent with state law and, therefore, is not enforceable. As such, he has amended the ordinance in order to bring it into compliance with current state law. This proposed ordinance is being presented for First Reading.
