**Legislative File No: 2009-0365**

**TO:** Mayor and City Council Members  
**FROM:** Scott Cope, Director Building/Ordinance Services, 248-841-2445  
**DATE:** September 21, 2009  
**SUBJECT:** Weed Ordinance

**REQUEST:**

This Ordinance, being presented for second reading, is an ordinance to repeal Article III, Weed Control of Chapter 106, and amend Chapter 84-17(b)(1) and (2).

**BACKGROUND:**

When Chapter 84, Property Maintenance, was designed, it included the entire language of Article III, Weed Control of Chapter 106, and became Chapter 84-17. Article III of chapter 106 was not repealed when Chapter 84 was enacted causing two separate chapters that regulated weed control.

The amendment to Chapter 84-17(b)(1) adds language that requires property owners in subdivisions with at least 60 percent of the building erected to cut or destroy all noxious weeds growing on the lot **“and in the adjacent right-of-way between the lot and the street.”**

The amendment to Chapter 84-17(b)(2) adds language that requires property owners of land that abuts improved streets in common usage shall cut or destroy all noxious weeds growing on the land for a depth of 100 feet **“from street edge”**.

**RECOMMENDATION:**

Building Department staff recommends the approval of the second reading of the amendments to the two sections of Chapter 84-17 and the repeal of Article III of Chapter 106.
