Dear Ms. Hamilton

Over that past couple year's brass prices have skyrocketed, but we have been able to negotiate with our manufacturers a modest increase in existing Municipal contracts. This is no different with your existing purchase order, 400888. We have been able to negotiate with our manufacturer a modest price increase of only 7%.

Enclosed please find your prices from August 1, 2005 thru August 1, 2006. These prices reflect the 7% increase.

We look forward in extending this contract with the City of Rochester Hills. If we can be of further service to you, please do not hesitate to contact me.

Sincerely
