MICHAEL G. DAMONE**

**Interests/Reasons/Qualifications:**

As a representative of a major building owner in the area with a construction, development and finance background, I believe that my experience and knowledge of the industry will allow me to make a contribution toward helping the City achieve its goals for the area served by the LDFA. I have been privileged to serve on the LDFA since its inception and will continue to serve on the LDFA Board if re-appointed.

**Education:**

I have a Bachelor and Master of Science Degree in Civil Engineering from the Massachusetts Institute of Technology and a Master of Business Administration Degree from the Harvard Graduate School of Business Administration.

**Additional Information:**

I am currently a member of the Board of Directors of First Industrial Realty Trust and a member of its Investment and Management Committees. First Industrial is a New York Stock Exchange traded Real Estate Investment Trust whose primary focus is the acquisition and development of industrial real estate in selected U.S. markets. First Industrial has a significant investment in industrial properties in the City of Rochester Hills.

Prior to my affiliation with First Industrial, I was president of Damone/Andrew, a full service real estate, development, construction and property management organization specializing in industrial and office properties. In July, 1994, Damone/Andrew and its industrial property portfolio including the industrial buildings that it developed and owned in Rochester Hills were merged into First Industrial Realty Trust.
