**Legislative File No: 2009-0025**

**TO:** Mayor and City Council Members  
**FROM:** Roger H. Rousse, Director of Public Service  
**DATE:** January 9, 2009  
**SUBJECT:** Agreement of Conservation Easement for the south side of Hamlin west of Crooks  
City File No. E92-023

---

**REQUEST:**

The Department of Public Services requests that the Rochester Hills City Council approves the creation and grants the “Agreement for Conservation Easement” for Hamlin Road west of Crooks.

**BACKGROUND:**

During the Hamlin Road construction this summer it is necessary to fill 11 small wetland areas adjacent to the existing Hamlin Road. To mitigate the impacts to the wetland the project will be expanding an existing wetland mitigation site on the south side of Hamlin west of Crooks. The MDEQ permit requires that we grant an easement to them for the protection of the mitigation site. This action by council will comply with that requirement.

**RECOMMENDATION:**

The Department of Public Services requests that the Rochester Hills City Council approves the creation and grants the “Agreement for Conservation Easement” and authorizes the Mayor to execute the document on behalf of the City and send the executed document to MDEQ for review and recording in compliance with the special instruction and specification stated in item number 26 of the MDEQ Permit.
