Hi Christine and Leanne,

Thank you for the opportunity to serve on the Liquor License Technical Review Committee. I recently accepted a new position down in Huntsville, Alabama with the federal government. I am moving to Alabama later this month. I will keep my home here in Rochester Hills, but unfortunately won't be here often enough to remain on the committee. Therefore I must resign my position. Thanks again, wishing you all the best in your future endeavors.

Sincerely,
David McCracken
