---

Legislative File No: 2024-0413

**TO:** Mayor and City Council Members  
**FROM:** Bill Fritz, P. E., Director of Public Services  
**DATE:** September 9, 2024  
**SUBJECT:** Combination Sewer Truck

---

**REQUEST:**

City Council is requested to authorize the purchase of one (1) new Combination Sewer Truck in the amount of \$605,695.00 from Jack Doheny Company, Northville, Michigan.

**REASON FOR PURCHASE:**

The City issued a Request for Proposal on Michigan Inter-Governmental Trade Network for the purchase of one (1) new Combination Sewer Truck. The proposal was distributed to 458 vendors. Three proposals were received. Proposals were evaluated by staff from the City's Fleet and Water/ Sewer Department. Jack Doheny Company was selected and unanimously supported by the evaluation community as providing the best value for a proven, quality product, their experienced sales and training staff, additional extended warranty programs available and dollar amount of parts on hand.

Combination sewer cleaning trucks are used on a daily basis by the DPS water/sewer division for routine cleaning and maintenance of the city's sewer infrastructure, used to clear blocked sewer lines, vacuum out sewer and storm catch basins, wet wells, grinder pump wells, and to clean floor drain traps and pits in city facilities and fire stations. These trucks also are used during water main breaks and service line repairs to remove accumulated mud and water from the work area. The truck is also capable of and equipped for hydro-excavation, which is used for pinpoint excavation around underground utilities providing for a minimum of site disturbance, and reducing the amount of equipment and manpower required.

**PROCESS:**

**Vendor Name and Address:**

Jack Doheny Company  
777 Doheny Drive  
Northville, MI 48167

**Reason for Selection:**

Best Value

**Method of Purchase:**

Purchase Order
