Re: Winkler Mill Pond Historic District Re-Survey

As outlined in Mrs. Kristine Kidorf's Staff Report, the City Council has directed the Historic Districts Study Committee to review the Winkler Mill Pond Historic District Re-Survey and provide a recommendation as to whether the boundaries of the existing District should be amended to generally remove those properties that have been deemed as non-contributing. Mrs. Kidorf's Staff Report also outlines the process to be undertaken going forward. The purpose of tonight's meeting is to review the currently drafted Re-Survey and provide any initial comment and feedback and provide direction for preparing the next required document, the draft Study Committee Report, for consideration at a future meeting.
