Rochester Hills, MI 48309
Attn: Russell George

Re: City of Rochester Hills – Hamlin Rd. and Summerville

Based on your request, I have attached a cost estimate for the proposed street light installation. I am recommending the installation of one (1) 136 watt LED roadway light in grey on one (1) 18 foot arm attached to existing wood utility pole.

Overhead (OH) – DTE Owned and Maintained Street Lights on Wood Pole

1 – Overhead fed 136w LED street light attached to wood pole

Below please find the estimate breakdown for this project. The costs are based on the Option 1 Municipal Street Light rate - DTE Energy owned and maintained. The rate requires the customer pay a portion of the construction cost. The following information outlines the street lighting installation.

Estimate Breakdown

Project Cost	\$2,184.78
Annual Operating Costs	\$354.09
3 Year Revenue Credit	(\$1,062.26)
Contribution from the City of Rochester Hills	\$1,122.51

Please feel free to contact me if you have any questions at 734-347-1189.

Sincerely,

Joseph Burghardt
