

Document 5: Architecture In  
RH Area We Like (3 pages)

Black frames windows, trim, roof with  
white siding

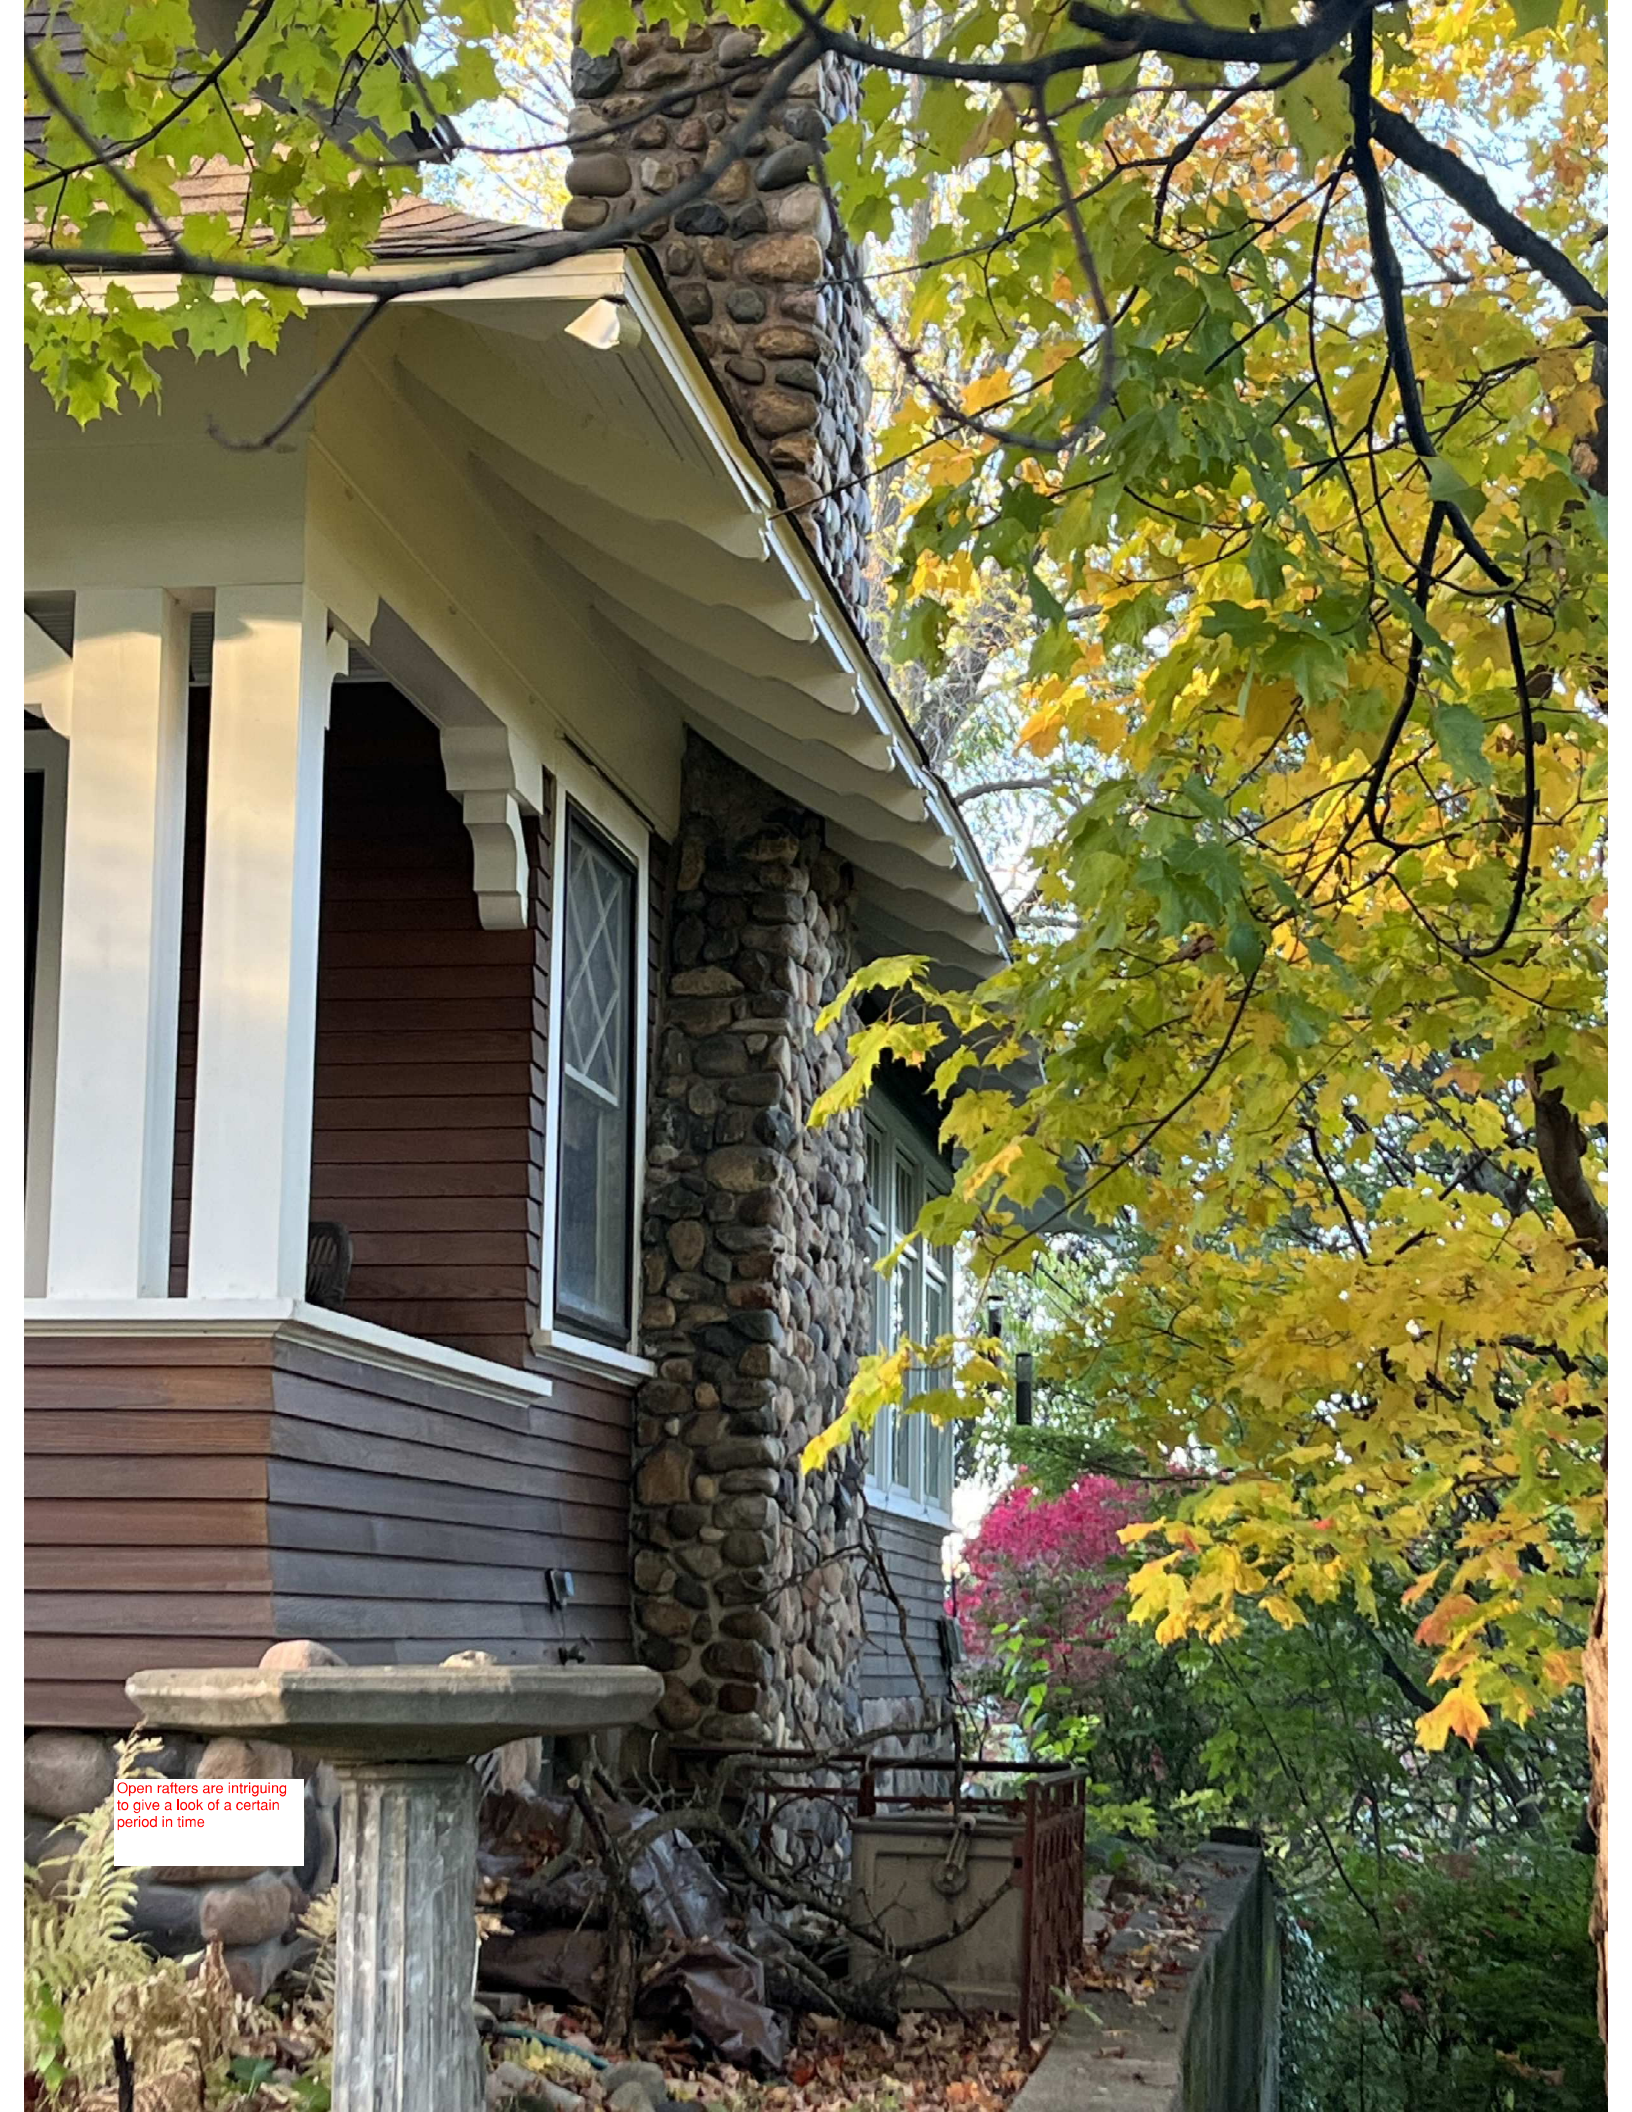

Red brick chimney (possibly try to  
utilize bricks left on site for this, if  
bricks are in good shape)

Black fence (could be a boundary on  
the south and west sides of lot, along  
the Harding greenspace)

These porch columns have aesthetics we appreciate

Open rafter are intriguing to give a look of a certain period in time
