**WHEREAS**, the components of the Capital Improvement Plan have been subject to a public hearing, public review, and committee reviews over the course of several years and a duly noticed full public hearing held on April 18, 2023 and

**WHEREAS**, the components of the Capital Improvement Plan were arrived at through a point system using variables that included, among other things, whether the project has begun, funds committed, sources of funds, prior City Council decisions, Planning Commission or administrative recommendations and decisions; and
