Legislative File No: 2024-0076

TO: Mayor and City Council Members
FROM: Sean Canto, Chief of Fire and Emergency Services
DATE: February 12, 2024
SUBJECT: Emergency Medical Supplies

REQUEST:

City Council is requested to authorize a blanket purchase order for the purchase of emergency medical supplies in the amount not-to-exceed of \$67,010.00 through February 10, 2025 to Bound Tree Medical, LLC, Dublin, Ohio.

REASON FOR PURCHASE:

The City of Rochester Hills requires the purchase of emergency medical supplies for stocking its Basic Life Support (BLS) and Advanced Life Support (ALS) Ambulances.

The blanket purchase order of \$67,010.00 for emergency medical supplies for 2023-2024 is the estimated supplies that will be required for the years based on historical data. The Fire Department generates billings for emergency medical incidents and recovers the cost of medical supplies.

In 2020, The City of Farmington Hills acting as the Lead Agency on behalf of themselves and the Southeast Michigan Medical Supplies Cooperative (SMEMS) with extension to the MITN Purchasing Cooperative issued a Request for Proposal. Notification of solicitation was sent to over eighty (80) vendors with four (4) responses received. The contract called for an initial term of three years, with the option to renew for three (3) additional one-year periods. The initial three-year contract term has expired and in 2023 the first renewal was exercised. The City of Farmington Hills has executed the second renewal year option for a one-year term.

The specifications called for volume discount pricing on 286 highly used emergency medical products including incident expendable supplies as well as training supplies and equipment. These items were determined by the SMEMS to be the most often ordered and made up approximately 60% of their medical supplies budget. Also requested as part of the specification was a contracted additional discount off the published list price for full line categories such as diagnostic, immobilization, extrication and disaster preparedness equipment. The final pricing required a fixed additional discount off any remaining items in their catalog.

The City has been very satisfied with the products and services Bound Tree Medical, LLC has provided over the past several years and requests approval to renew their contract for an additional one-year term.
