

# OAKWAY Mutual Aid Group

---

*Established 1955*

We are very proud to inform you that the OAKWAY Fire Chiefs working along-side our Local International Association of Fire Fighters will be hosting Fire Operations 101. The event will feature the latest developments in emergency medical/fire services, as well as the broader issues of overall emergency response.

The OAKWAY departments and your local fire fighters are honored to offer you the opportunity to take part in this important event. The Fire OPS 101 conference will be held at the Oakland Community College CREST Center on October 2, 2019 from 8:00am-3:00pm

As part of Fire OPS 101, you will experience an EMS scenario, extrication and suiting up in fire fighter protective clothing, donning self-contained breathing apparatus and actually going inside a real fire to experience first-hand the environment in which firefighters work. Obviously, this will be a controlled situation, but will nevertheless provide an opportunity to see and feel what fire fighters deal with on a daily basis. It promises to be a very exciting and informative day. We would be honored if you would consider participating in this activity, as we believe this will provide you a perspective on emergency services as never seen before.

We sincerely hope that you can attend and always, we appreciate your support.
