Dear Mr. Kizy:

SUBJECT: Michigan Department of Environmental Quality (MDEQ)
Permit Number 11-63-0162-P
T3N, R11E, Section 34, City of Rochester Hills, Oakland County

We received an e-mail from your agent dated November 9, 2011, requesting a minor revision for work authorized by MDEQ Permit Number 11-63-0162-P.

This letter authorizes revision of your MDEQ Permit Number 11-63-0162-P to enlarge the culvert size from a 24 inch culvert to a 24 inch by 38 inch concrete elliptical pipe.

You are reminded that all conditions as set forth in the original permit remain in full force. This letter must be attached to your permit and kept at the site of the work, available for inspection, at all times during the duration of the project or until the date of expiration. This revision does not obviate the need for other federal, state, and/or local permits as may be required by law.

If you have any questions regarding this letter, please contact me at 586-753-3866; foosem@michigan.gov; or MDEQ, Water Resources Division, Southeast Michigan District Office, 27700 Donald Court, Warren MI, 48092-2793. Please include your Permit Number 11-63-0162-P in your response.

Sincerely,

Melanie J. Foose
