Subject: Request to meet with our Planning Commission
To: Ed Anzek <anzeke@rochesterhills.org>

Good Morning Ed!

Crittenton would like to be added to the agenda for the February 1, 2011 meeting of the Rochester Hills Planning Commission. We would like to have the opportunity to bring the commission members up-to-date on the progress of our planning for our new South Tower. We are very excited to bring this project to the community with a commitment to have private patient rooms for more than 90% of our patients. Private rooms are becoming a reality across the country with patients and communities benefitting from more family involvement in their care, more privacy, better outcomes, reduced infections, and a more comfortable and quiet environment.

We are very anxious to bring this project to our community, and look forward to partnering with the City of Rochester Hills and sharing the success!

Thank You for your consideration!
