RE: 2015 Gravel and Limestone Program

Dear Mr. Schneck:

The Road Commission for Oakland County (RCOC) Gravel Haul Program will be launched this spring, as it has in past years. As always, we welcome local community participation in the program. If you are already participating we appreciate your continued support. Since so many communities throughout Oakland County participate in the program, it is important that interested communities commit by the deadline established below to reduce delays.

The RCOC is asking that interested communities commit, at least "verbal" (including anticipated total funding amount), by **April 10, 2015**. Please understand that it is essential to have all of the community commitments by this date because the bidding process for the Gravel Haul Program can take up to 3 months from the "**advertisement date**" to the actual start of the haul. An official letter of commitment from participating communities will be required prior to the bid opening date.

The tentative time line would be as follows:

Township Commitment and requested gravel type: April 10th
Advertisement Date: April 27th
Proposal Date: April 28th (proposals are available to contractors)
Bid Opening Date: May 19th
RCOC Board Meeting: June 4th (anticipated award of bid recommendation)
Anticipated Start: Early to Mid-July

Should you have any questions, please feel free to contact me at 248-858-4888. I appreciate your cooperation and participation and look forward to serving you.

Sincerely,

Steve Printz
