Legislative File No: 2023-0034

**TO:** Mayor and City Council Members  
**FROM:** Bill Fritz, P. E., Director of Public Services  
**DATE:** February 6, 2023  
**SUBJECT:** Adoption of a Street Resolution – Decertify Angara Drive

**REQUEST:**

Adoption of a street resolution to decertify Angara Drive. This effectively removes it from within the City Local Street System for the purpose of obtaining correct funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

The resolution is for removal of the entirety (approximately 227 feet) of Angara Drive located in Section 32 of the City of Rochester Hills. The removal extends from Auburn Road heading south to the southern lot line of Lot 11 within the Grant M. Johns Subdivision.

The State of Michigan requires that a street resolution be adopted by the governing body in order to remove a public street from the City Local Street System for the purpose of obtaining correct funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets being removed must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our ACT 51 City Mileage Certification Reports for mailing this year.

**RECOMMENDATION:**

The Department of Public Services recommends adoption of this resolution to remove the entirety of Angara Drive from the City Local Street System for the purpose of obtaining correct funds under Act 51, P.A. 1951, as amended.
