RE: HDSC Final Reports

Please find attached Study Committee reports for 2040 S. Livernois and Stiles School. Both reports have been completed in accordance with the City process for establishment of a Historic District. The process requires that these reports be submitted to City Council within a year of the public hearing. Please consider this the required submission.

Due to scheduling conflicts the HDSC is unable to appear at the February 28th City Council meeting. Staff will work with the HDSC and the Council Coordinator to establish the first available date that is appropriate for the Committee and representatives of the subject properties to appear regarding the reports.

Please do not hesitate to contact the Department if you have questions or concerns regarding the reports.

Thank you.
