Legislative File No: 2010-0495 V3

TO: Mayor and City Council Members
FROM: Ed Anzek, Director of Planning and Economic Development, ext. 2572
DATE: February 18, 2011
SUBJECT: Request to Consider Adoption of the Restated Resolution, to replace RES0299-2010 adopted at the December 13, 2010 Regular Meeting, regarding the request for approval of an Industrial Facilities Exemption Certificate for Otto Bock

REQUEST:

Adoption of a restated Resolution approving an Industrial Facilities Exemption Certificate for Otto Bock, 2923 Technology Drive for five years.

BACKGROUND:

On December 13, 2010, the City Council held a public hearing and approved an Industrial Facilities Exemption Certificate for Otto Bock. Please refer to the agenda summary for Legislative File 2010-0495 V2 for further details. In the same Resolution, City Council also requested that Industrial Facility Exemption Certificate #2006-428 for ThyssenKrupp be terminated since they had vacated 2923 Technology Drive in November 2010. Subsequently, Staff was notified by the State Treasury Department that the actions must be done in separate Resolutions, since they are processed differently.

Accompanying this action request under separate agenda item is the Resolution to revoke IFT #2006-428 for ThyssenKrupp.

RECOMMENDATION:

City Council approval of the restated Resolution to approve the IFT for Otto Bock.
