Hi,

I spend a great deal of time at Lifetime Fitness working out, playing tennis, and socializing with other members. Having beer and wine available for purchase at Lifetime would be a great addition and aid in increasing the already friendly environment for members to relax and enjoy the great benefits of the club. Please consider approving the liquor license for Lifetime. I have been a member of the club since before it was purchased by Lifetime and this would be a great addition to the club.

Thanks for your time,  
Martin Bak

Sorry, I am re-sending with a different subject. Would like to make sure it reaches the appropriate party.

### Honorable Rochester Hills City Council Members:

As a long time Rochester Hills resident (25+ years, approximately the last 20 of which has been on 1961 West Ridge in North Oaks subdivision) and a long time Lifetime Fitness club member (15 years) my wife and I hope that City Council gives strong consideration for granting Lifetime Fitness its requested liquor license at this coming Monday's (January 9<sup>th</sup>) City Council meeting . Doing so we think will not only please the many Lifetime Fitness club members that have requested this service but also allow the club to offer amenities that are comparable to others in the area and other Lifetime Fitness locations across the country. We're sure Lifetime Fitness would serve these products to its members in a responsible manner which would enhance the overall membership experience.

We appreciate your consideration of this matter and for allowing a long term resident's voice/perspective be heard.

Thanks,

*Steve*
