Legislative File No: 2012 -0119

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P. E., Director of Public Services
DATE: April 23, 2012
SUBJECT: Interlocal Water Service Connection for 794 Dutton Road, Oakland Twp., Michigan

REQUEST:

The Department of Public Service recommends approval of the Water Service Agreement between the Charter Township of Oakland, the City of Rochester Hills and Rebecca L. Barron and for the property located at 794 Dutton, Oakland Township, Michigan.

BACKGROUND:

On March 20, 2012, the City received a request from Rebecca L. Barron to tap the Rochester Hills water main located on the south side of 794 Dutton Road, Oakland Township, Michigan. Currently, the resident is without water and there is no Oakland Township water main available for connection at that location. The request has been approved by DPS/Engineering Services and James Creech, Township Manager, Charter Township of Oakland. An Interlocal Water Service Agreement was drafted for execution and approved by City Attorney, John Staran.

After City Council approval of the agreement, per City Ordinance, water connection capital fees will be owed to the City of Rochester Hills at the rate of 150% the normal service rate as follows:

Water Capital x 150%	\$ 1,275.00
Water Tap	1,242.00
Water Meter	357.00
Construction Use	<u>15.00</u>
	\$2,889.00

The agreement also provides and requires the payment of 150% of normal service rates for water usage.

RECOMMENDATION:

The Rochester Hills City Council approves the Water Service Agreement between the Charter Township of Oakland, the City of Rochester Hills and Rebecca L. Barron for the property located at 794 Dutton, Oakland Township, Michigan and authorizes the Mayor to execute the agreement on behalf of the City.
