Dear Ms. Farris,

Our company has been providing mowing services to the City since 1988. We have provided this service at competitive prices by continued growth in our business and the precise tracking of our cost factors.

We are offering a contract extension to the City of Rochester Hills as specified in your bid package February 1, 2001. This contract extension will cover all purchase orders currently in place with all departments of the City.

This extension will allow our company to better plan for equipment, personnel, and other support factors so we may continue the same level of dedicated service you have come to expect from Kleen Kut.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Watkins". The signature is fluid and cursive, with a long horizontal line extending to the right.
