Re: Extension Request—Tentative Preliminary Plat Approval
Rochester Meadows Subdivision

Dear Mr. Anzek:

Please treat this letter as a request on behalf of Rochester Meadows, L.L.C., to extend the tentative preliminary plat approval previously granted for a one (1) year period of time. The reasons for the extension request are twofold: the first being allowing Rochester Meadows, L.L.C. sufficient time to finalize drainage easements needed to complete the subdivision and the second being the negative economic climate in Michigan. If you need anything further to place this matter on the Agenda for the Planning Commission and the City Council please call me at (586) 254-2576. Thank you for your cooperation.

Very truly yours,
