

City Council Agenda Summary Sheet (Non Purchases)

Agenda No: 2005-0098 – Request to change March 23, 2005 Work Session to March 9, 2005
Date: January 27, 2005
Prepared By: Melinda Hill, President
City File No: N/A

Meeting Date: February 2, 2005

City Council Members have previously received information regarding the Michigan Municipal Leagues 38th Annual Legislative Conference to be held on Wednesday, March 23, 2005, in Lansing, Michigan. This is the same day Council has scheduled a Regular City Council Work Session. I am requesting Council consider changing its Regular Work Session of March 23rd to March 9th for two reasons:

1. To allow Council Members the opportunity to attend the Legislative Conference on March 23rd without having to leave early to attend the City Council Work Session
2. To use the meeting on March 9th as a final Goal and Objective Setting meeting for City Council's Goals and Objectives, which will allow the Administration adequate time to begin work on the 2006 Budget.

A resolution for your consideration to change the meeting is included in the packet. If you have any questions or concerns, please feel free to contact me.
